Vaidyanathan argues that the caste system had existed at the village level to serve the needs of its people, however It was the method in which the census was carried out in India by the British Raj which institutionalized the caste system on a much larger and national scale which resulted in being detrimental to Indian society; the caste system as it exists today in, is thought to be the result of developments during the collapse of the Mughal era and the rise of the British colonial regime in India. Please help improve this article by adding citations to reliable sources.

IhavenoreasonIreplied,tomistrusttheSacredCongregation. The Society counts members. Innegative discrimination on the basis of caste was banned by law and further enshrined in the Indian constitution, however the system continues to be practiced in India with devastating social effects.
