Ury looked out at the audience of around people and asked what sorts of conflicts they were facing. According to Lewis, the two had been living in separate rooms in the same house for the better part of a year up until the day prior, when Edward moved out of their home and into a hotel.

Sowhatdothosemomentsmeantohim?For some, question mark means a feeling of confusion or a fear of the unknown. Both McMillan women rebelled against patriarchal authorities, leaving their fathers and husbands when necessary to achieve important life goals.
