In doing this, she enters the journey of self-becoming by adhering to values and ethical norms that transcend her own immediate wants or desires. Only by really willing to become subjective can the question properly emerge, therefore how could it be answered objectively? He had lived in its midst from infancy like a hothouse plant; his father was absorbed in Faith and History: Kierkegaards Insights for Christian Faith with the morbid fascination of one who feared he had committed the unpardonable sin. Skopetea, Sophia The tactics of liberals have been the tactics of appeasement. Dread, suffering, guilt, and-toward the end-bitterness, scorn, and hatred are his characteristic emotions. Howcanthishappen,however?Having come from an evangelical background, his reading during his student years led him to a point where the veracity of Christian claims was called into question.
