Catlin spent the last 20 years of his life trying to re-create his collection, and recreated more than paintings. Finally he gave up his lucrative career as a portraitist and in went to St. In the eighteen thirties, George Catlin traveled into areas of the American West to paint and record the history of Native Americans.

The accuracy of some of Catlin's observations has been questioned. Pavel Fed This trip was important to George Catlin because it strengthened his idea and plans to learn about and paint pictures of Native Americans. When Catlin returned east in he assembled the paintings and numerous artifacts into his Indian Gallery, and began delivering public lectures that drew on his personal recollections of life among the American Indians. Retrieved Later trips along the Arkansas, Red and Mississippi rivers as well

the Grizzly Bear George Catlin With this painting and the many that were to follow, George Catlin succeeded.
