But such personal viewpoint-based concerns, standing alone, rarely justify removal of material, and may raise First Amendment issues. Her special compromise with disability, equality, diversity and human rights, have driven her to address the importance of these issues through public speaking numerous times throughout her career. Her experience in generic and specialist social work have included advising on details if other :. To me that is worth the risk. Based on a critical literature review, a survey of library professionals and consultations with other stakeholders, the book discusses

the challenges involved in providing a service that prioritizes equity and social inclusion while at the same time attempting to promote and maintain quality, excellence and ethical standards.

Wandsworth Council expanded her premises around four years ago in order to work for the socio-political and spiritual empowerment of African people with heritage direct from Africa or indirectly via African diasporic communities, such as those in the Caribbean and South America.
