Used with permission. Most television sitcoms produced during the s and s used the single-camera technique, with a laugh track simulating the absent audience. What must be added is an explanation of how playfully violating mental patterns and expectations could foster rationality rather than undermine it.

Thechangealsorequiredanew,largersetto beconstructedwithinatheatre. In the competition for women to mate with, early men may have engaged in humor to show their intelligence, cleverness, adaptability, and desire to please. More abstract still would be to think, as the Buddha did, about how human life is full of problems.
