Lewis's Shocking Alternative. His last chapter reflects on the moral community of Le Chambon which rescued over 6, Jewish refugees from the Holocaust--simply because this tightly knit religious community of the Huguenots was practiced as a community in doing the right thing. But Christians need not slip into the morass of easy relativism.

Other Editions 1. Beliefs and values are challenged at every turn. France, between and I know this would have been an intimidating read and largely over my head when I was starting college. From years of teaching in secular settings and the church, I know that it is too common that in the minds of many, faith is separated from or even opposed to reason.
