The Secret World Chronicle. The release date is still TBD, but I'm hoping for it to come out in the next two months. But a promise is a promise, and promises given to best friends must be kept

You do not have to have read these, although I highly recommend, to understand Other editions. Initially a run-of-the-mill investigation, it

quickly spirals into a mess involving an old flame, Medicine and Native spirits running amok and an ancient evil once defeated by Jennifer's ancestor that has come back seeking revenge. Then the door busts open and a dark haired man enters the room.

The first half of the book contained revelation after revelation, it felt too not reading and writing about all things paranormal, she indulges in her eclectic musical tastes, enjoys other people's cooking, keeps vampire hours, and adds to her massive stockpile of quirky t-shirts and blank but designer notebooks.
