There is also coverage of fun activities playing solo games, using Pinterest, reading ebooks, watching TV shows and movies as well as advice for avoiding online scams. Here is my custom Windows 8.

Windows Explorer reveals the locations where all those shortcuts are stored. Join Sign In. Cloud computing is getting to be a thing, and Microsoft certainly encourages users to save their files out there in the vast Internet cloud, instead of on your lowly local PC hard drive. And you can still use the Start button to shut down your computer. Here is my custom Windows 8. Windows 8 was a revolutionary update of the popular operating system from Microsoft. To that end, Microsoft very much would like for you to store all your files on its SkyDrive service, and has more strongly integrated SkyDrive into the Windows 8.
