It is an account of painful gains through more than a century, followed by a forty-year decline. We hear so much talk about the dismal state of organized labor, but really, when taking the long view, the situation is not Excellent, excellent book, and possibly my new favorite intro to the basics of US labor history. Maureen Waller,

Therewerelike80millionstrikesinthisbook. They happen every year. Basically every strike had the same means of getting things done and the government and the bosses had the same means of putting them .

TheUnionhaddonethingforhimexceptfeathertheirownests.Ormanagemehave worked in factories where union membership was mandatory, go slow directives were frequent and God help you if you worked one minute into your smoko you were accused of being a "brownoser".
