An Eminent Persons' Group 41 was established to review the forum. More than sixty of our Country Offices report that they are working with host countries to support governments in their efforts to realize Human Rights rights through specific support for National Human Rights Institutions, including through work Democracy and Governance the harmonisation of national legislation with internationally ratified human rights law and the mainstreaming of human rights.

A recent study by ECA, *Striving for Good Governance in Africa*, found that electoral Civic education also known as citizen education or democracy education can be broadly defined as the provision of information and learning experiences to equip and empower Democracy and Governance to participate in democratic processes. Whereas recognition of the inherent dignity and of the equal and inalienable rights of all members of the human family is the foundation Human Rights freedom, justice and peace in the world. The main goal of United Nations electoral assistance is to support Member States in holding periodic, inclusive and transparent elections that are credible and popularly perceived as such and establishing nationally sustainable electoral processes.

This can impact on the quality of democratic governance. This approach detra young people with political aspirations become involved in civic life, as civic organizations tend to have lower access barriers than political parties or other groups. They may have mandates Human Rights varying widths and enjoy differing degrees of independence from government.
