Many readers sent letters or questions about marital problems and divorce to these magazines, which suggests that, despite the low rate of divorce, the general public was concerned about the phenomenon of failing unions. The presence of my husband considerably facilitated access to men.

Many men, whether it be their fate, or of their opinion, easily persuaded themselves. A similar trend can be observed in the General Social Survey. But the more one learns about the crime of domestic violence, the less likely it seems that the formal mechanisms of divorce law have much influence one way or another in helping women escape their batterers. The divorce problem: A study in statistics.

Economic autonomy made it possible for wives to leave their marriages, just as J. Continuity and change in marriage between and
