Hi Kai, I can sympathise with your frustration! Humanity is like an ocean; if a few drops of the ocean are dirty, the ocean does not become dirty.

But you never want to lose respect for your partner. Then when i was 8 i had another seizure and had to be hospitalized again after not having any seizures for 4 years. But drop and break it enough times, and it will shatter into so many pieces that you will never be able to put it back together again, no matter what you .

It would certainly prove helpful for all of us if these peer-reviewed, scientific studies were taken into account. As Gibran, that is correct. Your job as a committed partner is to simply ride the waves with the person you love, regardless of where they go.
