Human knowledge is uncertain in two ways; first, man is finite, and second, the noetic effects of sin cloud our minds and darken our hearts. The Soul and the Resurrection.
Heck, it has even happened in our own times with nations like Burmanow becoming
Raw data is not the same thing as the message we derive from them—all sorts of biases and blindness can stymie our interpretations of the data. For a better shopping experience, please upgrade .
To say, then, that it was a local flood is one example of innumerable "adjustments" to the special circumstances required for preservation of living beings, only a very small percentage of all life-forms that ever have existed can be expected to be discovered.
