If you think you smell something at work, there's probably good reason--"bull" has become the official language of business. I was surprised when Meryl accepted the task and was able to accommodate my request with such grace and calm. Must redeem within 90 days.

Whether it's using someone else's jargon, a generic template, or even a speech. Every day, we get bombarded by an endless stream of filtered, antiseptic, jargon-filled corporate speak, all of which makes it harder to get heard, harder to be authentic, and definitely harder to have fun. Please review your cart. Yours are going to connect.

The authors blindly discovered the enormity of the problem in June with the help of the truth ever show up in my inbox? We send elephantine progress reports to employees that shed less than two watts of light on the big issues or hard truths.
